

Harrogate Autumn Event 25th - 27th October 2019

What a lovely venue for this years AGM event. Harrogate and the Cairns Hotel provide the setting. Harrogate is great for the visitors with the famous Betty's Tea Rooms providing the now renowned "Fat Rascal" cakes well worth trying!

There are many lovely shopping areas within easy reach of the hotel and for the non shopper there are the beautiful Valley gardens in the centre of the town, full of lovely plants and flowers. I am pretty sure these gardens are free to enter.

On the Western edge of the town there are the RHS Harlow Carr gardens which are absolutely beautiful and well worth the entrance fee of around £11.

The Royal Pump Room Museum at £3.50 entry is well worth a visit and if you dare you can taste the Spa water whilst taking in the history of the Spa in Harrogate.

For those members who don't mind travelling by car there are numerous attractions within a fairly short car ride away, such as "Old Mother Shiptons Cave", Ripley Castle and gardens, Knaresborough Castle and St. Robert's cave also in Knaresborough.

I'm sure whatever you do whilst in Harrogate you will find your stay very enjoyable.

Happy Dancing
