

The Old Time Dance Society Spring Weekend March 2022

The Spring weekend was held in Caernarfon at the Celtic Royal Hotel in March and we were exceptionally blessed with not only great weather but three wonderful nights dancing. Those members attending, almost sixty in total, were a really fun group making the atmosphere delightful. Our leaders on Friday were Bernard and Dilys who gave us a lovely night of dancing and set the tone for the weekend. On the Saturday we were treated to fantastic leading by Jonathan and Lorraine Tranter, they were a joy to watch and Jonathan was a real entertainer during the evening, we look forward to their return sometime in the future. To finish the weekend on the Sunday the Committee took to the floor leading off the dances between each other. As a finale we sang or more like attempted to sing the Welsh National Anthem as well as the British National Anthem. All in all this was a great weekend in Caernarfon and I would like to say a big thank you to all those members attending for making it a worthwhile pleasure to be part of the team organising these events, Roll on Torquay!
