

The Old Time Dance Society Autumn Weekend Harrogate October 2022

Ann and I have just arrived home from Harrogate where we were treated to a wonderful weekend's dancing. Our stay at the Cairn Hotel was lovely, it was so nice to see so many members attending and be able to chat and have great fun as well as dance to our hearts content.

Elizabeth Harrison provided our music which was sheer delight, thank you to her and we look forward to hearing her play again for our dances. Friday evening started the weekend with our Chairman Paul Harding and Hazel Harding leading the way and what a great night it was. Saturday evening was absolutely sublime with Steven Shaw and Helen Blackburn showing us how beautiful old time dances can look, they were immaculate in their leading and without exception everyone in the ballroom were enthralled, many thanks to them both and we are excited to hopefully see them perform again in the not to distant future.

Sunday evening leaders were Grahame and Bernice Baldwin and they once again as in the past provided us with a lovely programme of dances and demonstrated them beautifully, thank you both, a thoroughly enjoyable evening to finish what has been a terrific weekend.

I would like to add, despite being on the Committee, that my heartfelt thanks go to my fellow Committee members, especially Bernice, Paul and Linda who work so tirelessly to provide these wonderful weekends for us all to enjoy.

Torquay is our next venue and we are looking forward to seeing members there for the Spring Weekend at the Livermead Hotel.
