

# Autumn Weekend Bideford

## The Old Time Dance Society Autumn Weekend Bideford October 2023

Having just returned from our AGM Weekend at the lovely Devonshire town of Bideford I had to put pen to paper. It was a superb 3 days with excellent dancing during the evenings, the Friday evening was a great starter when our Chairman Paul Harding and his wife Hazel thoroughly entertained us with their dance programme. Saturday had the highlight of the weekend Andrew Pigg and Paul Watkins showing just why they are champion dancers, they gave a fantastic demonstration of Old Time Dancing in their programme for the evening. Sunday's programme was presented by the Committee which was a nice way to finish the weekend. David Ingley provided some lovely music to accompany the dancing each evening. The hotel was good although the decor and rooms were a little "tired" looking, however the staff were most helpful and the food was very good. Certainly value for money.

Ann and I are looking forward to our next outing with the Society which will be at Grange over Sands for our Spring Weekend 2024.
