

Spring Weekend Grange-over-Sands

The Old Time Dance Society Spring Weekend Grange-over-Sands March 2024

Our Spring weekend was held at the Cumbria Grand Hotel in Grange-over-Sands where we were treated to lovely food presented by very helpful staff. The hotel is currently undergoing some renovation but this did not interfere with us having a pleasant stay.

The ballroom was really nice and despite having to go down a few steps to get on to it this did not seem to hinder us enjoying each evening dance.

Friday saw a number of leaders as Michelle Boddy had unfortunately picked up a back injury and could not lead off, however, many people rallied round and the evening went well without a hitch.

Saturday we had the wonderful partnership of Ann & John Rainey as leaders and they were magnificent, many thanks to them and we look forward to seeing them again in the future.

Sunday our leaders were Bernice & Grahame Baldwin and as usual they gave us a lovely evening.

Our musician for the weekend was Elizabeth Harrison and she played beautifully, I personally thoroughly enjoyed listening to her music as I was unable to dance.

Ann & I really enjoyed this venue, a quaint village setting with lots of things to do in and around the area being so close to the Lake District.
