The Old Time Dance Society  
Autumn Weekend  
Bournemouth October 2024

Our Autumn Weekend based in Bournemouth at the Marsham Court Hotel was a great success fully sold out with over 60 attending. The sunshine we ordered eventually arrived around lunch time on Friday and lasted all weekend so members were able to get out and about during the day and enjoy the good weather. The Friday evening our leaders Joanne and David Robinson got the weekend off to a fantastic start, with beautiful dancing, a great atmosphere and lots of singing to the music of Charles Brown. Saturday night, Paul and I were leaders as it is traditionally the Chairman's night, the members enjoyed dancing and singing along to some beautiful tunes. On the last night the Committee shared the leading and it was another great evening. All three programmes were a mix of mostly traditional Old Time and some Classical Sequence dances. The set dances were The Virginia Reel, The Lancers and The Quadrilles.

Our AGM was held on the Saturday morning of The Autumn Weekend and this year it was very well attended,

The facilities at the Marsham Court Hotel were excellent, delicious food, extremely helpful and friendly staff, well-appointed rooms, comfortable lounges and importantly for dancing a light and airy ballroom with a good floor.

As announced at the AGM the Society is updating our website and we hope it will be available when

you receive your December newsletter or reasonably soon after.
