

# SPRING WEEKEND CAERNARFON

## The Old Time Dance Society Spring Weekend Caernarfon March 2025

The Spring Weekend this year was held at the Celtic Royal hotel Caernarfon, this was our second visit to the hotel and once again we found it a very comfortable hotel. The food was delicious, the rooms were well appointed and all the staff were friendly and helpful. The hotel has a Spa that some members took advantage of and although the weather was cold most members were able to get out and about. As usual at these events there was lots of socialising, reminiscing and the odd drink was taken. Of course the main reason we get together is to dance Old Time and we had three wonderful evenings led by Erika Strenski & James Forster on the Friday night, Lorraine & Jonathan Tranter on the Saturday and Christine & Robert Haywood on the Sunday night all with their own style, they provided three great programmes that kept the floor full for all the dances. There was a

great atmosphere all three nights with good dancing, some fun and the wonderful music of Elizabeth Harrison. It was great to see the numbers increasing again for the Set Dances and we had four sets up for the Quadrilles and the Lancers. We had some new members with us who were attending their first event and the feedback we received was that they thoroughly enjoyed the event and praised the members for making them so welcome and for creating such a good friendly atmosphere as well as wonderful dancing.
